SENATOR STULL: Mr. Chairman, I move the bill be advanced to E & R for Engrossing and then expedited.

PRESIDENT: All right now. You've heard the motion to advance LB646 from Select File. All those in favor of advancing the bill will vote aye. All those opposed will vote no. This is the motion to advance LB646 as amended from Select File to E & R for Engrossing. Have you all voted? Clerk will record.

CLERK: 30 ayes, 1 nay, 18 not voting.

PRESIDENT: Bill is advanced. Does that clear up Select File then?

PRESIDENT: All right, read the reports.

CLERK: Read committee reports. LB888, 888A, 925, 925A and 954 correctly enrolled.

(Begin Belt #7)

PRESIDENT: While the Legislature is in session and capable of transacting business, I have signed LB888, 888A, 925, 925A and 954.

CLERK: Read committee reports. LB728 indefinitely postponed. LB931, indefinitely postponed. LB942 General File. LB969 General File. Mr. President, there's a request to unbracket LB772, signed, Senator Warner.

PRESIDENT: Senator Warner.

SENATOR WARNER: Mr. President, I would ask unanimous consent to unbracket LB772. I have some amendments up here which I believe Senator Duis concur in. The effect of them is to return the bill to its, essentially its original form with adjustment to allocating the total appropriations, half between foundation and half between equalization, to make an adjustment in the insured needs and the rest of them are essentially technically amendments that were really necessary because of the change in year from implementing '75-76 school years as opposed to '74-75 this bill was originally drafted. I ask unanimous consent to unbracket it for the consideration of those amendments.

PRESIDENT: Any further discussion of the motion to unbracket LB772? Senator Whitney, this is a motion to only unbracket the bill. Do you object to unbracketing?

SENATOR WHITNEY: No.

PRESIDENT: The motion is to unbracket. If you want to discuss the motion to unbracket the bill. Are there objections to
